

Gorgonziner GipsyBrewers

L'Acidella Sour

Derived from LeGrandMissChot with an additional spontaneous fermentation step in Nebbiolo barrels for 1 year. Hoppy notes are reduced leaving space to grapes and apricots notes. Light is the woody note and the acid one, both are present but never invasive. It provides a perfectly clean mouth, making it ideal for many combinations.

Ideal with: aged cheeses, pickles.

Also with a risotto with sausage and mushrooms or Gorgonzola blue cheese.
